OBJECTIVE

Dynamic HR, IR & Corporate Affairs professional with 13 years of experience in driving industrial harmony, securing high-level regulatory clearances, and leading end-to-end HR operations. Proven expertise in labour relations, compliance, stakeholder management, and government liaisoning. Seeking a leadership role to align people strategy with business goals and ensure operational excellence.

AREAS OF EXPERTISE

- **Industrial Relations (IR) Management** – Expert in handling union negotiations, grievance redressal, strike/agitation control, and maintaining harmonious labour relations. Proactive handling of IR crises, administrative issues, and high-stakes compliance situations with resolution-focused approach
- **Wage & Contractual Settlements** – Successfully executed wage settlements for permanent workers and VDA agreements for contractual workmen
- **HR Strategy & Operations** – End-to-end HR functions including recruitment, onboarding, payroll, performance management, disciplinary proceedings, and policy implementation
- **Government Liaisoning & Regulatory Approvals** – Secured critical permissions from Mantralaya, MOEF, MIDC, MPCB, Labour, Factory, and Collector Offices for land, water, and project clearances. Handled land procurement, building plan regularizations, and colony approvals critical to project expansion
- **Statutory & Legal Compliance** – Deep understanding of labour laws, Factory Act, ESIC, PF, PESO, and all major statutory regulations; ensured 100% compliance and successful audits
- **Court Proceedings & Legal Safeguards** – Obtained injunctions from Civil and High Courts to manage politically-driven disruptions and ensure uninterrupted plant operations
- **CSR & CER Execution** – Planned and executed high-impact social initiatives including medical camps, skill training, education, and infrastructure development under Lloyds Infinite Foundation
- **Stakeholder & Public Engagement** – Conducted public hearings, MoEF submissions, community relations, and liaison with government, political leaders, consultants, and local stakeholders
- **Administration & Vendor Management** – Oversight of facility management, office infrastructure, security, and vendor contracts
