Employment History

Team Leader - Finance & Accounts at VNC Global Edge Private Limited

- January, 2024 - Present Vadodara
- Supervising and coaching a team of accounting specialists, managing end-to-end processes across accounts payable/receivable, general ledger, reconciliations, payroll, and financial reporting cycles.
 - Evaluating and certifying financial reports for precision, regulatory adherence, and timely submission to stakeholders.
 - Serving as the key client interface, handling escalations, building strong relationships, and ensuring consistent service excellence.
 - Coordinating task prioritization and capacity planning to meet operational targets and compliance benchmarks under IFRS/GAAP frameworks.
 - Enhancing operational workflows by leveraging automation tools, integrating ERP systems, and standardizing reporting mechanisms.
 - Uplifting team performance through continuous feedback, upskilling initiatives, and aligning with leadership on strategic finance transformation goals.
 - Spearheading month-end and year-end close activities, ensuring timely and accurate financial consolidation and reporting.
 - Monitoring key financial KPIs and dashboards to track team performance, process efficiency, and SLA adherence.
 - Driving continuous improvement initiatives to reduce manual processes, shorten reporting cycles, and eliminate reconciliation errors.
 - Collaborating cross-functionally with internal departments (e.g., Procurement, HR, Operations) to align finance processes and resolve bottlenecks.
 - Leading internal audits and supporting external audits by preparing schedules, addressing queries, and ensuring documentation readiness.

Senior Accountant at Magnit Global

- September, 2023 - January, 2024 Vadodara
- Oversaw period-end financial close by compiling journal entries, conducting ledger reviews, and submitting financial summaries to leadership.
 - Evaluated financial data, tracked variances, and validated accuracy through alignment of system reports with the general ledger.
 - Maintained statutory records, performed bank reconciliations, and prepared audit-ready documentation in adherence to compliance standards.
 - Streamlined financial reporting processes, reducing month-end close cycle time by implementing automated reconciliation tools and standardizing workflows.

subject expertise, and audience engagement skills.

Outstanding Article Assistant

Recognized as the Best Article Assistant during the articleship period for consistent performance, professional conduct, and commitment to learning.

Best Team Leader Award – ICAI Training

Honored as the Best Team Leader during training at ICAI and awarded for leading the Best Team, reflecting strong leadership and collaboration skills.

- Collaborated with cross-functional teams (FP&A, Tax, Audit) to support budgeting, forecasting, and year-end audit activities.
- Monitored compliance with IFRS/GAAP standards, internal controls, and company policies to ensure accurate financial representation.

Assistant Manager - Finance & Accounts at Adani Enterprises Limited

 October, 2022 - September, 2023  Ahmedabad

- Oversaw financial accounting, regulatory compliance, and reconciliation of accounts (P&L, balance sheet, trial balance) in adherence to Ind AS guidelines.
- Compiled and submitted corporate tax filings; assisted with audits and handled direct taxation matters.
- Drafted periodic financial statements and participated in group-level financial consolidation for annual disclosures.
- Performed financial analysis, tracked operational spending, maintained general ledgers, and presented key findings to management.
- Liaised with internal, external, and tax auditors to facilitate audits, ensuring accurate documentation and timely issue resolution.
- Established financial governance practices and control mechanisms to support regulatory adherence and minimize compliance risks.
- Partnered with cross-departmental teams to synchronize finance operations with organizational goals and strategic initiatives.
- Developed automated workflows using advanced Excel tools to streamline repetitive finance processes and improve data consistency.
- Tracked intercompany accounts and ensured prompt reconciliation and clearance of outstanding balances.
- Supported financial planning by evaluating historical data trends and contributing to departmental budget and forecast alignment.

Accounts Executive at VCAN & Co.

 July, 2019 - September, 2022  Vadodara

- Compiled and submitted tax filings for individuals, corporations, partnerships, trusts, and cross-border entities; assessed quarterly estimates and tax provisions.
- Interpreted tax codes to devise optimization strategies and delivered consultative support on mergers, investments, and regulatory requirements.
- Acted as liaison with tax authorities (e.g., IRS), supporting clients through assessments, audits, and appeal processes.
- Tracked legislative and regulatory tax updates to ensure ongoing alignment with domestic and international compliance standards.
- Oversaw general ledger maintenance, prepared financial statements, and conducted income computation for audit readiness.
- Performed audit fieldwork including sample testing, ledger scrutiny, and balance verifications; filed statutory documentation with Registrar of Companies.
- Created financial forecasts and budget reports; conducted deviation analysis; handled GST compliance, including return filings and audit coordination.
- Streamlined tax preparation processes by implementing automated workflows, reducing turnaround time and minimizing manual errors.
- Collaborated with cross-functional teams including legal, finance, and compliance to ensure cohesive execution of tax strategies and reporting obligations.
- Evaluated and improved internal controls related to tax and financial reporting, enhancing audit readiness and risk mitigation.
